## **BRIAN M. ANSELMO**

Brian was a wonderful son, brother, uncle and friend. He was a young man with great promise whose life was cut short at 28.

Brian was very athletic. From his early days at St. Thomas More Grade School playing on the fields and courts of the Parochial League and playing soccer for the Udinese Soccer Club, where he was chosen as a Missouri Olympic Development soccer player, Brian learned to love and excel in sports. He played soccer, football, basketball and track at Rockhurst High School, loving every minute of it. Finally he went to the University of Missouri where he played football until an injury forced him to quit.

Although sports were a very important part of Brian's life, he also valued his education. He was on the honor roll in both grade school and high school. In college, he was named a scholar athlete on the football team and graduated with a degree in finance.

Brian was a risk taker, an attribute he exemplified when he turned to poultry farming, something he knew nothing about. With the help of his business partner, Frank Reese, he helped the Good Shepherd Ranch grow and quickly become nationally recognized. He became an expert in humane farming and worked with the Animal Welfare Institute educating other farmers on the standards of humane farming. His last vision was to build a research institute on their farm to educate farmers from around the world.

Even though Brian is no longer with us, his name will be carried on through the work of his foundation.

**AMY ANDERSON**

KMBZ 98.1 - Journalist

A true news junkie since childhood, Amy Anderson has more than 25 years' experience in broadcast news...20 years of that spent here in her hometown of Kansas City. Her career in journalism has taken her from Joplin, Missouri, to Orlando, Florida, before arriving back home for an anchor/reporter position at KCTV5, the CBS affiliate, in the Spring of 2003. She made the switch from TV to radio when she was fortunate enough to step in at KMBZ after legendary news anchor Ellen Schenk retired from the business. Getting up (very) early to bring you the news of the day is a true joy for Amy and the early hours give her even more time to spend with her husband Bill and their two boys. Amy and Bill are also the proud parents of a 160-pound Newfoundland named Archie, who sometimes makes bad choices...and recently added a rescue Golden Retriever to the family named Poppy Mae. The dog hair in their house is epic. Amy is passionate about animals and their wellbeing and is proud to serve on the board of KC Pet Project. She loves trying new restaurants, catching a movie, traveling, live music and watching her kids play sports.

**BOB FESCOE**

610 Sports Radio - Fescue in the Morning

Bob Fescue is a New Jersey native who has called the Midwest home since attending KU in 1995. As a kid, Bob realized he would never be able to play sports professionally so instead of idolizing the athletes Bob started to pay attention to the broadcasters. While watching Giants games with his dad, Bob realized very early on that John Madden had the best job ever. He was getting paid to talk about sports. Ever since before the age of 10, Bob knew what he wanted to do when he grew up. He graduated from KU in 1999 and landed his first job in Seguin, Texas. After a year and 10 months outside San Antonio he came back to KC and worked at KMBZ. Up until 2007 he was a fixture on KC radio. From 2007-2010 he went to St. Louis. In January of 2010 he came back to the right side of Missouri and started hosting Fescue in the Morning on 610 Sports Radio. You can catch the show weekdays from 6-10 AM. Bob is on the Board of Directors for the BMA Foundation and also works very closely as the spokesperson for Noah's Bandage Project. Plus he is also involved with many other charitable endeavors around Kansas City. Bob has been married to the lovely Jen since April of 2008 and they have 2 daughters.

**RUDY AMATO**  
MUSICIAN

A singer, a live orchestra, and timeless classics are the perfect mix for a non-stop journey back in time. Rudy Amato is a dynamic performer doing just that, and bringing us back to the “Golden Age” of music. Rudy features a “Vegas Style” show complete with live musicians, comedy, singing impersonations, and a few surprises along the way. He pays tribute to such artists as, Frank Sinatra, Dean Martin, Bobby Darrin, Louis Armstrong, Louis Prima, Tom Jones, Barry Manilow, The Greats of Motown, and of course the King, Elvis Presly.

Pythons Drill Team is a community-based non-profit organization that provides a safe outlet for Kansas City youth to express their talents through music and the arts.

Organized by Wanda Winters in 1986, Pythons started out with ten girls performing with a boombox and cassette tape. Two years after founding the team, Winters added drums, flags, and rifles, expanding to include both boys and girls. Today, the Pythons Drill Team has grown and now travels all over the United States and has been featured in documentaries and in local media.

# CHARITIES WE SUPPORT

In 2009, almost a year after Brian’s tragic death, Jerry and Mary Ellen (parents of Brian) felt called to start a foundation to honor the life of their son. Through the grief and tragedy that comes with losing a child, the birth of the BMA Foundation has given honor to Brian’s life and helped countless people along the way. It is through the BMA Foundation and the life that it gives to the community that has brought healing to the Anselmo family and the countless others who loved Brian so much.

# OPERATION Breakthrough

3039 Troost  
Kansas City, MO 64109

Founded in 1971, Operation Breakthrough provides lively learning and social services for 400 Kansas City children each weekday, while their parents work, attend school or look for jobs. One in four of our children is homeless or in foster care. The average family here survives on annual income of less than \$18,000.

Your support will help us maintain  
all of the wonderful programs  
we provide for our children  
and families.

To learn more about us and how you can  
help, please visit us at:

[www.operationbreakthrough.org](http://www.operationbreakthrough.org)

## Operation Breakthrough offers:

- Full-day early learning and child care for children ages 0 through 5.
- \* Before- and after-school and full-day summer activities for children ages 5 to 13.
- \* Daily breakfast, hot lunch and snack.
- \* On-site medical and dental care, speech and occupational therapy, and mental health services for children.
- \* A food pantry and clothing closet, assistance with job and housing searches, support groups, parenting education, adult dental care and mental health services for families.
- \* A safe place for at-risk children to learn and grow toward their great potential!

# ROCKHURST HIGH SCHOOL

Firmly rooted in Jesuit ideals and Catholic educational tradition, Rockhurst High School provides a dynamic environment for academic, spiritual and social growth. For more than 100 years, Rockhurst has challenged students with a rigorous academic program in the classical, Jesuit tradition.

**DREAM  
FACTORY**  
of Greater Kansas City

As children, we all dream big. Some of us imagine visiting storybook, faraway places. Others long for a furry, four-legged friend. Still others dream of meeting our heroes. And if we are lucky, many of us see those dreams become reality somewhere along the road of life.

But for children struggling with critical or chronic illnesses like diabetes, cystic fibrosis or cancer, the road may be all too short, and there is little time to realize such big dreams.

**The Dream Factory exists for them**

Since inception, TeamSmile has now conducted over 250 programs, served over 50,000 children and provided over \$18 million in free dental care and oral health education. TeamSmile is proud to be such an impactful, Kansas City-based non-profit organization."

The following businesses and individuals supporting "Stars" have helped the BMA Foundation put this program together. We appreciate their kindness and encourage you to support their local business. If you or a business you know would like to place an ad in next year's program, please contact Julie Sano for information on how to do so. The more support we can give to local businesses in the Kansas City area, the better!

From dance mom to ballroom star, Meg Burke is ready to tear up the dance floor for St. Thomas More! A Kansas City native, Meg is deeply involved and passionate about her community. She has a BSE with a minor in Special Education from Pittsburgh State University and has also earned a Master of Education with an emphasis in Special Education from Avila. For thirteen years she has had the privilege of being the Inclusive Education teacher at St. Thomas More. These extraordinary children are not just students to Meg, they are her kids. Their hard work and dedication have taught her more lessons than she has taught them. Her goal is to improve the special education program and help secure its future for the generations of talented kids to come. In her day-to-day, Meg enjoys spending time with her husband Troy and her multitalented daughter, and STM student, Amelia. She is an avid reader and loves shopping local businesses. When basketball season starts you can hear Meg cheering on her Jayhawks for miles around! Meg's friends and family will tell you that she doesn't like to lose and won't stop hustling until she has the trophy in her hand! Meg is honored to be chosen to represent STM for this year's Dine and Dancing with the Stars event and can't wait to meet you on the dance floor!

BAGS OF FUN

Shannon was born in Boone County Hospital in Columbia, MO on November 28, 1970 to Keith and Bonnie Connell. We take you back to this date not to show you how old she is but because we believe her birth just may have predestined her for this very dancing competition! You see... Shannon came into this world "feet first" to a room of 30 doctors and nurses witnessing an entrance that not many at that time had seen. Her mother BonBon, as she is most affectionately and commonly known, has always told her that she hit the ground running "feet first" and since then she hasn't stopped. And now these feet will be making their debut on the ballroom floor! Shannon's new mantra... FEET DON'T FAIL ME NOW! And indeed those feet have kept her on the move over the years. Growing up in KC she attended STM and St.Teresa's Academy and since she left for college in Tucson, Arizona she has moved all around the country and lived in 10 other cities. And the movement doesn't stop there. Shannon literally moves for a living. She has been practicing yoga for close to 25 years and she loves sharing her passion for yoga as a yoga teacher. Helping others feel good and find ways to connect and find more unity in their practice and in the world is one of her greatest passions. But her greatest joy and achievement to date is being a mother. She met her husband George in Chicago when she was 45 and having never given up on her dream to become a mother, she became a step-mother to their daughter Emily at age 46 and a mother to Jackson Jai at age 48. She and George moved their family home to KC within the past year to be close to her family and raise their own here. She is a long time friend of the Anselmo family and fondly recalls their carpooling days and running around the wild and crazy streets of Verona Hills in her maroon TransAm. She also has a long-standing friendship with Louisa Neenan Weinrich and the Neenan family and is honored to be dancing to support the BMA Foundation and Bags of Fun KC to help raise money to deliver a little more hope and joy to children suffering from cancer and other life threatening illnesses. It is her hope that the money raised through BMA's Dine & Dance with the Stars will continue to greatly help all the organizations represented and all those in need of the extra love and support that comes from community and coming together in loving support.

Katie's life has always revolved around playing with, teaching and inspiring children! From the moment she was old enough to hold a child, she was, and her greatest wish in life has always been to be a Mom. She graduated from Missouri State University with a Master's Degree in Speech Language Pathology and spent the first 7 years of her career as an SLP, helping children and families in Early Childhood Special Education for Springfield Public Schools, until she was finally a Mom of two herself! Katie and her husband Dean, settled in Kansas City and set up home in their beloved neighborhood, Weatherby Lake (yes, north of the river!). They enjoy all things outdoors and travel every chance they get.

Katie loves her work as a private SLP and her side gig as a skincare consultant, but what she loves most right now is being a Mom and volunteering. Her children, Derrick (12) and Lexi (10), are the inspiration for everything she does. She's also a very proud aunt, wife, sister, and daughter, and above all a follower of the Almighty, Lord and Savior, Jesus Christ.

Most days Katie can be found "dancing" her way around the Northland, running her kids to and from school, sports and volunteering. She usually has a child or two...or three in tow (even if they aren't her own). She loves to start her day dancing through a Jazzercise workout too and is really hopeful to take all that dancing up a notch with lessons from James! She is excited about the great things the BMA Foundation is doing and is honored to be representing Charlie's House, an organization that loves kids as much as she does and is dedicated to preventing accidents and injuries to children in and around the home. Let's do this!

**DJ NOLEN**  
BMA FOUNDATION

My name is D.J. Nolen and for the last 25 years I have coached and worked with youth baseball in the Kansas City area. Making a difference on and off the field is about as rewarding as it can be. Through the years I have cultivated many relationships with players and families that I will forever cherish. I have been lucky enough to work with four kids that have been drafted by MLB, two who are currently in the big leagues, and 28 young men that have played college baseball. It's an unbelievable experience when you see a young man get to chase his baseball dreams.

For the last twelve years I have been in business for myself. I started my lawn and landscape company after I retired from the ironworkers union because I was bored. Now I'm busier than ever! A lot of former and current players have worked for me. Keeping with the baseball theme my company name is "Full Count Lawns".

Being a St.Thomas More and Rockhurst graduate, I have known the Anselmo family for over 35 years, Julie Anselmo Sano and I went to grade school together and her son Luca played baseball in my program for four years. I couldn't be more excited about representing their family in this year's Dine and Dance with the Stars event. I want to make the family proud and raise a lot of money, so vote for D.J.!

Another fun fact, in 2018 my nephew Jaxson Wentworth won an award named in Brian's memory, the Brian Anselmo Special Teams Award at Rockhurst High School. Our families have crossed paths for many years, and this is an unbelievable honor to be dancing for the BMA Foundation.

My name is Holly Miriani, but many people call me Mama Holly. I earned this nickname by giving birth to six children. Also, I work for my daughter, Margaret, who is the owner and manager of Platinum Title and my other two daughters work for Platinum Title too, so many co-workers and clients call me Mama as well.

I started dancing when I was very young and I have always loved it. Dancing has always come easily for me, or so I thought that it came easy! When I attended Dine and Dance with the Stars in 2021, my daughter bid for me to dance with Artem, a Dancing with the Stars cast member. As I walked out on the dance floor with this handsome, wonderful dancer, he asked if he could spin me. Thinking that it would be only a little spin, I said sure. When we stopped, I could barely tell up from down! Artem was on one knee and I was awkwardly squatting and teetering until I fell on the floor! I was grateful that Artem tried to make it look like picking me up was part of the dance. I was a bit embarrassed but not so much that I was hooked. I knew I could do better, much better!

I asked my daughter if she would support me to dance and compete in Dine and Dance with the Stars 2023. There are some advantages to working for your daughter. How do you say no to your mother. Having the ability to dance and raise money for The Dream Factory is a dream come true for me! I am so excited! My husband, Joe, is supportive of me training for this event and socially dancing in the KC area. That's because we made a deal. Joe and I cycle together, which is his passion and so he has promised to come back to dance with me when we are both retired, which will be in 2024. I am looking forward to that!

When I'm dancing, nothing else exists. I am completely devoted to following my leader, moment -to-moment. We let the music take us and it all seems natural, easy and fun. Thank you in advance for your support!

**ANDREW TATE**  
KidsTLC

The past 17 years Andrew has cultivated an extensive executive network in the Midwest focusing on his background in Energy, Operations, Sales Process and Real Estate Development. His greatest skill is learning about other's businesses and portfolios and finding ways to help connect the dots and level up their current standing. He relishes the opportunity to connect business leaders with those who can help them drive revenue, increase operational efficiency, improve their bottom line, and better engage the community. He has a passion for Community Development and while he pays the bills being an agent and contractor for real estate investors, he really wants to partner with urban core communities to help them lift themselves up; helping those that have never owned or invested in real estate start to take advantage of building equity.

Helping to promote mental health awareness has been a passion of his for a while now. Most issues we deal with as people and society can be traced back to trauma as a child and how we've dealt with it, or not dealt with it. He is also a big fan of getting to the root of the problem and not treating symptoms. Helping an organization like Kids TLC can support families and communities when the need is most critical. His friend Sierra is also on their development team. She's seen him dance. She knew that he needed to be a part of this; for laughs and funds more than actual entertainment related to skill.

Andrew keeps himself busy with helping clients but is also engaged in several civic and nonprofit organizations including; Centurions (Pinnacle Class of 2023), The Linwood YMCA, the Overland Park Environmental Advisory Council, the Blue Valley Industrial Association, and Newhouse Pop Up Bartender. He is a graduate of Rockhurst University (05'), an Eagle Scout, and resides in North Kansas City, MO, with his six year old daughter, Marin.

Hi. I'm Koni Clements and I'm honored and proud to represent and sponsor TeamSmile at the upcoming Dine and Dance with the Stars. I will be paired with my dance partner, Dylan Polleiner from the Arthur Murray Dance Studio in Charlotte, NC where Dylan taught my husband and I how to dance a couple years ago. A little about me. I'm a devout Christian mother of 4 beautiful kids, 3 grandkids ...along with a husband of 35 years, I have been blessed beyond my dreams. It is a true honor to sponsor TeamSmile. The work they do to provide desperately needed free dental care to underserved children throughout America is so awesome. Their unique model of combining professional and collegiate sports teams with bringing children to the dentist whom in most cases have never been to the dentist, provides a positive experience that the child will never forget. A little about my dancing skills. While I love to dance, I just learned 2 years ago so I'm a novice at best. I'm honored to just have the opportunity to compete against other very talented contestants. I will tell you this. When I commit to something...I'm all in! Your donation and sponsorship will not only go to a worthy cause...but I will be giving it all to represent TeamSmile and to justify your donation! And finally... I also want to thank the BMA Foundation, Jerry, Julie and the entire board of directors on giving me the opportunity to support this very special foundation in memory of Brian. God Bless and thank you all for your support!

**GRETCHEN MCGRAW &  
MELISSA SHERWOOD**  
BMA FOUNDATION

Hey there my name is GRETCHEN GRABER MCGRAW. I'm the owner of FitWear Boutique. As a child I always had a love for fashion and clothes. I also started running in middle school to help with anxiety and mental health. Growing up I was given the opportunity and love of travel by my parents. I went on my first trip to Mexico in middle school and fell in love with the colors and vibrancy of a completely different culture. After getting my degree in Dental Hygiene at Wichita State I used it to further my cultural experience. I went to Russia and between exploring St. Basils and the GUM in Moscow I did dental work at orphanages. Along the way back to settling in KC I lived in New York and Detroit. Both of those stops added another layer to my fashion and cultural experience.

In 2012, living in Overland Park, Kansas, I asked my girlfriend if I could open a lil shop in her Pilates studio, merging two of my favorite things, my love for clothes and working out. That was the beginning of FitWear Boutique. My whole idea was to bring in clothes that allow working out to fit in to your lifestyle not interrupt it. I love smaller Made in USA brands, Women owned businesses, lines that give back to their community and being comfy and cute is super important too! I travel for inspiration and to bring back things that are different than big box stores provide. This year I had the opportunity to celebrate 8 years of being open by opening my first brick in mortar in Prairiefire! It was definitely a pinch me moment to look around at all the people who have come in to my life since starting in the studio.

Along with running FitWear I am a designated Uber driver for my two amazing and athletic kiddos. My son Lawson (15) is a freshman at Blue Valley West. He enjoys playing football and his Gym buddies crew. My lil mini me Leighton (14) plays soccer for Sporting Blue Valley. She is finishing middle school at Lakewood Middle. I am super excited to get to dance and be a part of the BMA foundation. I feel blessed to be able to give back to this community that I have been a part of for the last 15 years! xo G

MELISSA SHERWOOD, know to family and friends as the Energizer Bunny, is a go-getter who is up for any challenge! She is truly honored to be part of Dine and Dance with the Stars and to contribute to so many worthy charities. As the youngest of 3 children, Melissa spent her elementary and high school years in the Blue Valley School District where she has now enjoyed 24 years teaching kindergarten. Melissa is grateful to have the opportunity to make a difference every day in children's lives. At her school, Stilwell Elementary, she is a much-loved and highly respected educator.

KU is where Melissa earned her education degree. Rock Chalk! Her Master's degree is from Baker University. Melissa's three awesome children have followed in her footsteps by valuing educational goals while achieving success in club and school soccer. Emma (24) and

Ben (22) are also both KU graduates! Rock Chalk! Graycen (14) is a high school freshman. Jax, the family's golden retriever, is a trained therapy dog and has brought laughter and joy to many nursing home patients. He patiently tolerates his pesky goldendoodle brother, Hudson.

Melissa plunges enthusiastically into any project! For her home, she builds furniture, lays tile and hardwood floors, does electrical work, and even some plumbing projects. Melissa says she learned so many of these skills by tagging along as a child with her dad. These days she says, "if you can't figure it out, You Tube can!" Melissa plans to dance like a star for the BMA charities, counting on her childhood dance lessons to carry her through. It is with lots of pride that she will perform in Dine and Dance with the Stars to benefit some many charitable organizations.

## PRO DANCERS

Carlye Stone is a professional dance instructor with The Ballroom KC. Carlye has always had dancing as a big part of her life, from being in ballet, tap, and jazz competitions at an early age, to performing in shows as she got older. In 2013, she started Ballroom Dancing, with her partner and husband, Patrick Stone. They have been competing nationally together ever since. Patrick and Carlye have won the National Runner Up Title in American 9 Dance. They also placed fifth in the WDSF National Smooth Competition. Carlye also specializes in Musicals, Country Dancing, West Coast Swing, and choreographed routines. She thoroughly enjoys teaching couples and families that are getting ready for their weddings. She loves to keep a positive atmosphere and show you why dancing is the best medicine in life!

CARLYE STONE

Harrison has been teaching partner dancing since 2016 in the Kansas City metro area. He has earned many competition titles and teacher awards. Harrison is passionate about teaching because he enjoys seeing the progress of his students as they find success in their own dancing.

HARRISON BERGGREN

LAURA SZYMANSKI

Laura is a professional ballroom instructor who has been actively building the dance community in Kansas City for nearly 20 years. She teaches couples and individuals all styles of ballroom and social dance. As creative director for shows at the Folly Theater, American Heartland Theater, and for The Junior League Cotillion Ball; she has choreographed for students and professionals alike. She regularly choreographs routines for local charities, Dancing With The KC Stars and Dancing With A Mission. She is no stranger to the competitive arena, as she trains students for pro-am competitions, including KC's own Heart of America Dance Sport Competition and The Kansas City Dance Classic. Her own dance training began at the age of seven when she started competing in ballet, jazz, and contemporary styles. Today, her repertoire includes American Rhythm and American Smooth, nightclub dances such as West Coast Swing, Salsa, Bachata, Argentine Tango, Hustle, and Samba, as well as several country dances. A recipient of numerous Top Teacher Awards from TC Dance Club Intl., Laura says, "I love guiding my students through the exciting world of dance and witnessing how it enriches their lives."

RAFAEL LABRADO

As a small child in Juarez, Mexico Rafael started Mexican folk dancing. He performed throughout Mexico and Texas. Later his passion turned to gymnastics, where he excelled. At 19 his family moved to Kansas City in order for Rafael to train at Great American Gymnastics Express. Several Olympic athletes have trained here. At 22 Rafael's gymnastic career was abruptly ended by an injury. Then, one day while flipping through the channels on TV; Rafael came across a program called "Championship Ballroom Dancing" on PBS. The amazing dancers on the program sparked a new interest. Rafael has been teaching social and competitive Ballroom Dance for the last 18 years. In that time he has successfully competed with different partners. Highlights include being a Rising Star and Open Professional finalist and Top teacher awards at the Heart of America DanceSport Championships.

Born and raised in the KC area, Tony's 35 year dance career has spanned the globe, from Tokyo to Toronto: Amsterdam to Atlanta. His parents, Larry and Pat Witt; 2 founding members of the KC Swing and Dance Club, brought Tony to his first swing lesson in 1986. Having played Jazz Saxophone for 8 years, made the musical transition into dance very familiar. East/West Coast Swing and American Smooth was the initial focus of dance until a WCS competition in 1988 where Hip/Hop was fused with Swing. That instantly sparked the creative possibilities for Tony's dance. After dancing and competing in Hip Hop and Salsa through the 90's and early 2000's, the ballroom floor became home again. International Latin quickly became the focus and passion for his Pro-Am students. In 2002, Tony was offered a teaching/mentoring role in a new up and coming dance fitness program that quickly became the largest fitness program brand in the world. For nearly 16 years Tony travelled the globe as a brand ambassador helping spread the joy of dance to those that never stepped on the floor before. Tony has taught at many studios in the KC metro as well as co-owning a studio for 15 years. Being able to be a small piece of this event that benefits so many organizations as well as each dancer to challenge themselves is beautiful.

TONY WITT

James accomplishments include, Open 10 Dance Finalist, Rising Star Professional American Smooth Finalist, Open Professional American Smooth Finalist, American Country Dance Association Division II Champion, American Country Dance Association Division I Finalist.

JAMES NETHERTON

JOHNNY FRANCOVIGLIA

Johnny is thrilled to be an official part of the Dine and Dancing with the Stars event this year after performing last year as a last minute stand in. He is a well respected coach and choreographer both locally and nationally with over 25 years of dance training in many styles including tap, jazz, ballet, modern, and ballroom. As a competitive ballroom dancer, he is a two time Blackpool Exhibition finalist, a four time US and World Professional Cabaret finalist, and a Professional Rising Star American Smooth champion. When he's not rehearsing or competing, Johnny can be found teaching many styles of partnership dancing to all levels of students. From beginner to advanced, Johnny helps his students push themselves to achieve their very best. In addition to his passion for dance, he finds great joy in giving back to the community. Being a part of this fantastic event is a way for him to give back not only to Kansas City but also to continue his philanthropic efforts as a Rockhurst alum.

KATIE MOSHIER

Hi, my name is Katie Moshier and I am the proud owner of Shall We Dance Ks! My dance background is in jazz, tap, ballet, musical theater and ballroom/swing. I currently teach Ballroom Dance and Swing, as well as Yoga in Kansas City and Lawrence Kansas for nearly 20 years! It's an honor to be a part of this year's BMA Foundation DDWTS representing KidsTLC!
